

DIRECTIONS TO: Burke Lake

From Quincy, take Hwy. 281 south five miles to county Road 5 NW, turn west (right) and drive three miles to Road T NW and turn south (left) on that gravel road. Proceed south 1/2 mile to the WDFW gate at the main entrance of the wildlife area. The east side of the Quincy Lakes Wildlife Area can be accessed via Hwy. 281 from Road 3 NW. There is a WDFW gravel access road at the west end of County Rd 3 NW.

- Several primitive camping areas with restrooms are available.
- Restrooms
- No potable water
- Very few trees suitable for highlines.
- Wonderful vistas and views of fantastic geology.
- Land Manager = Washington Department of Fish and Wildlife
- A Washington State Discover Pass is required in this area
- Take manure and excess hay home with you.
- Don't alter the desert environment to suit your horses.
