

DIRECTIONS TO:  
KENNEDY CREEK

From I-5 take Exit 104 onto Hwy 101 towards Shelton. After about 3 miles, (this sounds crazy but it's true) exit onto Hwy 101 and continue towards Shelton/Pt Angeles.

Continue past Steamboat Island Road about 3 miles. Get into the LEFT lane. When you see Griffinwood Stables on the right side of the highway, you have about 1,000 **feet** to exit to the LEFT of the freeway onto Old Olympic Hwy.

Old Olympic Hwy is a loop, so there are 2 entrances. If you miss the first one, stay in the left lane and continue on about 3/4 mile. As you cross the bridge at Kennedy Creek, which is also the Thurston/Mason county line, have your turn signal on and exit LEFT onto Old Olympic Hwy.

NOTE: If you miss either of these left turns off the freeway at Old Olympic Hwy, move to RIGHT lane, continue about 2 miles to the casino, exit and head back. This is the easiest way to get back without taking back roads or finding a place to turn around.
